

Quilts Plus Winter/Spring Classes

Quilts Plus University

Quilts Plus University consists of 9 classes that cover the basic techniques of quilting. When you have completed all of the required classes you will receive a diploma and a \$50 gift certificate. You may take any of the classes even if you are not working toward a "Certificate of Quiltology".

Quilting 101—Quilting for the Beginner:

Pattern drafting and block construction techniques are learned on the way to making your first quilt top. The project is an ideal size for a wall hanging or baby quilt. After 101 you will be ready to go on through QPU. Four 2 hour sessions. Instructor: CONNIE LANCASTER

Monday February 13, 20, 27, 6:30-8:30 \$45
March 12

Quilting 102—Basic Machine Piecing:

Making a quilt can be so easy when you learn the proper way to rotary cut and machine piece. You will learn to find your 1/4" seam allowance, strip piecing, accurate block construction, and on point setting. Three 2.5 hour sessions. Instructor: CONNIE LANCASTER

Monday April 9, 16, 23 6:30-9:00 \$45

Quilting 103—Rotary Cutting Clinic:

Learn to handle your rotary cutting tools in an accurate and safe manner. My method will help you make fewer mistakes, save time, and fabric. This class is for everyone! One 2 hour session. Instructor: CONNIE LANCASTER

Saturday February 11 10:30-12:30 \$15

Quilting 104—Hand Appliqué:

Learn the basic techniques of needle turn appliqué, including sharp points, round curves, and smooth bias stems. Join us to see how easy hand appliqué can be. One 2.5 hour session. Instructor: JULIE HENDERSON

Thursday February 9 10:30-1:00 \$25

Quilting 105—Machine Appliqué:

Invisible machine appliqué techniques will be covered in class. Learn to prepare the fabrics, set up your machine, stabilize your background and accomplish neat, even appliqué stitches. One 3 hour session. Instructor: CONNIE LANCASTER

Monday March 26 6:00-9:00 \$25

Quilting 106—Foundation Piecing Methods:

Foundation piecing is a handy technique for all quilters to know. It's the best method for making pieced miniatures or blocks with strange angles. Lots of tips to learn! One 2 hour session. Instructor: CONNIE LANCASTER

Tuesday April 24 6:30-8:30 \$20

Quilting 107—Hand Quilting:

Learn how to layer a quilt, mark a design, use a hoop, and start working toward a pretty hand quilting stitch. Experience this relaxing, satisfying craft the old fashioned way—by hand! One 2 hour session. Instructor: CONNIE LANCASTER

Tuesday January 24 6:30-8:30 \$20

Quilting 108—Free Motion Quilting:

Use your "electric needle" to get more quilts finished in less time. Free motion is the way to do it! You'll learn a variety of patterns and lots of tips to make it easy. Your kit is included in the class fee. One 4 hour session. Instructor: CONNIE LANCASTER

Sunday February 5 12:00-4:00 \$40

Quilting 109—Binding:

A good binding is the "finishing touch" of a quilt. This hands-on class teaches the proper technique of bias binding with mitered corners. Instructions will include fabric calculation, cutting, and applying binding with a hand sewn finish. Your kit is included in class fee. One 2 hour session, Instructor: CONNIE LANCASTER

Saturday February 11 1:30-3:30 \$15

Premier Week
January 2-7

Come in and see the class models for the new classes that we are offering for the Winter/Spring session. In addition to the normal 10% discount on supplies for your class, a special 10% discount on your class fee will be given when you register during our Premier Days! (this discount applies to in shop registrations only)

BASICS AND TECHNIQUES

Better Borders:

Not just for beginners—this class is for any quilter wanting to improve their skills at adding borders to their quilts. Plain borders, mitered borders and pieced borders will be covered. One 2 hour session. Instructor: CONNIE LANCASTER
Monday January 23 6:30-8:30 \$20

English Paper Piecing-Hexagons:

Once you try these you'll be hooked! We will cover the basics of paper piecing hexagons including cutting, fussy cutting, basting and different options for sewing your hexagons together. One 2.5 hour session. Instructor: JULIE HENDERSON
Friday February 24 10:30-1:00 \$25

Half Square Triangles:

Thangles, Triangles on a Roll, Ta Dahs, Easy Angle... which method works best for you? Come spend a morning exploring some of the many ways to make half square triangles and pick up some pointers along the way. One 2.5 hour session. Instructor: JULIE HENDERSON
Thursday March 1 10:30-1:00 \$25

Machine Finished Binding:

Not every quilt needs a hand-finished binding so come learn this machine technique to speed to the finish. You must have taken Quilting 109 before this class. One 1.5 hour session. Instructor: CONNIE LANCASTER
Saturday March 10 2:30-4:00 \$15

*We are using this beautiful pattern by Lori Smith
 for our Batik Block-of-the-Month.
 We will have a pieced center available
 for those who do not wish to appliqué.*
